Liability for Unauthorized MasterCard Debit Card Transactions on Cards Issued to Certain Consumers and Small Businesses

Insofar as liability for transactions conducted by a person who is not authorized to do so, the zero liability limit described below only applies to United States-issued MasterCard branded debit cards issued to natural persons, either for consumer purposes or for business purposes if the card is a “small business” debit card described on MasterCard’s website. The zero liability limit described below does not apply if you are an entity of any sort (corporation, limited liability company, partnership, etc.) or if the card is issued to you for business or commercial purposes other than “small business” as defined above. The zero liability limit described below does not apply until your identity is registered by or on behalf of the card issuer.

Tell us AT ONCE if you believe your MasterCard debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your MasterCard debit card. Your liability for unauthorized use of your debit card with the MasterCard logo will not exceed zero dollars (\$0.00) if the following conditions have been met:

- (i) you have exercised reasonable care in safeguarding your card from risk of loss or theft; and
(ii) upon becoming aware of such loss or theft you promptly reported the loss or theft to us. If the conditions set forth above have not been met, you may be liability for unauthorized transactions to the extent allowed under applicable law (for example, see Liability for Unauthorized Transfers paragraph below).

To notify us of lost or stolen cards or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, Audio Response PIN, or online banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or by other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (225) 265-2265, or write us at:

Bank's Liability for Failure to Complete Transactions

If the Bank does not conduct a Transfer on time or in the correct amount, the Bank will not be liable for any losses or damages which result, to the extent that such losses were incurred because:

- (a) Through no fault of the Bank, you have insufficient available funds in your Account(s);
- (b) The ATM at which you attempt the Transfer does not have enough cash;
- (c) The ATM was malfunctioning at the time you initiated the Transfer;
- (d) Circumstances beyond the Bank's reasonable control (such as fire, flood, terrorism, or theft) prevent the completion of the Transfer, despite reasonable precautions on the part of the Bank;
- (e) In the case of pre-authorized credits, the data from the third party is not received, is incomplete or erroneous, or the recipient is deceased.

Issuance of Small Business Debit MasterCard(s)

The Bank will issue Small Business Debit MasterCard(s) in the name of the Company and bearing the name(s) of the Authorized User(s) as designated by the Company in this Agreement. No card will be issued without a personal name embossed on the face of the card.

Each Authorized User must sign the Small Business Debit MasterCard immediately upon its receipt. Small Business Debit MasterCard(s) remain the property of the Bank and must be surrendered to the Bank upon demand. The Company and the Authorized User(s) agree that the Small Business Debit MasterCard is for use by business owners and employees and shall be used for business purposes only. You acknowledge and understand that the Small Business Debit MasterCard shall not be treated as a consumer card under the provisions of applicable state and federal law. You agree to inform all Authorized User(s) that the Small Business Debit MasterCard shall not be used for consumer purposes. The Company acknowledges that the Bank is providing such service to the Company as an accommodation party only and, except as otherwise provided by law and herein, the Bank is not responsible in any way for the manner in which the Small Business Debit MasterCard is utilized.

PIN

In an effort to protect the Company and Authorized Users from unauthorized use of a Small Business Debit MasterCard, if the Small Business Debit MasterCard is lost or stolen, we require that each Authorized User establish a PIN and that each Authorized User sign the Small Business Debit MasterCard before it may be used. Each Authorized User agrees to protect their individual PIN and each Small Business Debit MasterCard and PIN shall be afforded the highest level of security by the Company and each Authorized User. A PIN shall only be disclosed on a "need to know" basis. The Company agrees to require each Authorized User to use the Small Business Debit MasterCard and PIN together to obtain cash at designated ATMs and at any merchant or outlet that allows the use of a PIN with the Small Business Debit MasterCard. The Bank assumes no duty to discover any breach of security by you, Authorized Users, or others, including unauthorized disclosure or use of a PIN or Small Business Debit MasterCard.

Limitation on Transactions

For security reasons, there are limitations on the number of transactions, maximum cash withdrawals, and maximum dollar amount of purchases Authorized User(s) may perform using a Small Business Debit MasterCard during a 24 -hour period ("Maximum Dollar Limitations"). Maximum Dollar Limitations may be decreased or increased for individual Authorized User(s) at the written request of the Company, directed in writing, and approved by to Bank. Additional charges may be imposed by owners of non-Bank ATMs for use of their ATMs.

Daily limits are further subject to the availability of funds in your Account(s). For security reasons, there may be times when we impose other limitations on withdrawals.

Insufficient Funds

If the Account accessed does not have sufficient available funds, we may, at our discretion, reject or accept the transaction you have attempted. We, at our sole discretion, may honor such a transaction as a service to you. In this event you agree to pay, on demand, the amount necessary to cover the insufficiency, plus any applicable charges for this service.
