

## **Louisianans Can Better Prepare for Natural Disasters by Switching to Direct Deposit**

In the wake of the devastating 2005 hurricane season, we are all thinking about ways to be prepared for the next time. Louisianans can better prepare by switching to direct deposits for paychecks or government benefits such as Social Security payments. Direct deposit is predictable and reliable, and gives people access to their money wherever they are, whenever they need it. It also means no lost or stolen checks, because the payment goes straight into a person's account.

To sign up for direct deposit of your Social Security or other federal benefit payments quickly and easily, call the government's Go Direct toll free number at **(800) 333-1795** or visit [www.GoDirect.org](http://www.GoDirect.org) (English) or [www.DirectoASuCuenta.org](http://www.DirectoASuCuenta.org) (Spanish). Go Direct, an ongoing campaign sponsored by the U.S. Department of the Treasury and the Federal Reserve Banks, aims to motivate all Americans to use direct deposit for their federal benefit payments.

For more information on signing up for direct deposit of your paycheck or other payments, contact First American Bank at 1-800-738-2265.
